RE: School Name Change

Dear Parents, Guardians, and Community members,

Effective August 1st 2018, we are excited to announce that we are changing our School name to:

Princeton Academy International School

Our new name reflects leadership in the field of early childhood education and allows us to offer educational and afterschool childcare services to children of all religions and nonreligious backgrounds that the former Catholic name prevented.

Our main goal is to implement a neutral position in education and give all children, regardless of their religious backgrounds, the chance to receive a formal education and dependable afterschool childcare services.

The School will continue to operate in its current structure, and your enrollment contacts will remain unchanged. Other than these visible changes, there is no change in ownership, staff, teaching methods, and/or curriculum.

Our school location, phone, and fax numbers will remain the same:

Address: **1-5-3 Tomigaya, Shibuya, Tokyo. 151-0063**
Phone: **03-6407-9221 / Fax: 03-6407-9238**

Our new internet URL is: **<http://www.pais.ac>**

Our new email addresses is: **kids@pais.ac**

(*The current Saint Annie URL and email address will be usable until Dec. 31, 2018.)

With 17 years of business presence in the international education industry, we, Princeton Academy, look forward to continue to grow and serve you and your family under our new name.

Should you have any questions regarding this name change, please feel free to contact Michael Huggins at: **mbh@pais.ac**

Sincerely,

Michael Huggins
School Principal
